

Year 1 Learning from Home

Hello everyone!

Once again I can't thank you enough for all of your support and how hard you are all trying with the home learning. I can appreciate that it is becoming increasingly difficult and you are doing your best! If any parents or carers have any concerns or are feeling worried about your child or the work please get in touch by sending an email to this address: year1class@greenlane.durham.sch.uk

I can't tell you enough how much I have enjoyed reading my class emails, it doesn't just have to be about school work. Lots of people have let me know that their child is now riding a bike independently or to tell me about the cooking and gardening they have been doing or even just to say hello!

I have put together another Home Learning pack of work for 2 weeks to be started on w/c 4th May. I've created the pack to include Phonics, Reading/Writing, Maths and a Science topic. Again please don't feel overwhelmed or that you have to race through the work. You know your child best of all and it might be some days you do lots of work and other days will be spent learning lots of different life skills.

I'm really missing my lovely little class but I'm so happy you are keeping in touch and you are all staying safe at home.

Take care,

Miss Bryden
