As part of your topic work we'd like you to research Buddhism (year 2) or Hinduism (year3). Your findings can be presented in any way you chose e.g. poster, presentation, fact file etc.

Your research should include some of the following key points about your chosen religion:

- Where does it originate from?
- Who are the main gods / special people?
- Where and how do people worship?
- What do they believe?
- Special celebrations
- Are there any similarities between this religion and Christianity?
- A piece of artwork depicting the religion (e.g. place of worship, a god, items used during worship etc)

Once complete your projects and any photos should be emailed to your class emails:
